

City of Rocks National Reserve Castle Rocks State Park

National Park Service
Idaho Department of Parks and Recreation

Climbing Experience Program

The Idaho Department of Parks and Recreation now offers visitors the opportunity to experience climbing on world-class granite.

What is the Climbing Experience Program?

The Climbing Experience Program is a chance for beginners to try out rock climbing in a safe setting on some of the best granite in the country. Trained employees set up easy routes for the novice climber to get a feel for the rock. Visitors will be able to try their hand on a variety of routes and difficulties. Participants will be exposed to concepts, techniques, and equipment that becomes an excellent introduction to the sport of climbing.

Why Climb?

Come climbing to explore the scenic beauty of City of Rocks and gain new personal insights. Rock climbing is a great way to be challenged physically and mentally.

City of Rocks National Reserve and Castle Rocks State Park are among the premier rock climbing destinations in the U.S. Climbers began establishing routes here in the 1960's. Since then, climbers have been enjoying these granite domes and spires, with over 750 routes ranging from easy walk-ups to some of the most difficult in the world. Come discover what draws thousands of climbers to the "City" every year.

Making a Reservation

To reserve your opportunity to climb,

Call: 208-824-5519

Email: cit@idpr.state.id.us
